

REMARKS

Reconsideration of the present application is respectfully requested.

In the second Office Action the Examiner rejected claims 1-3, 5, 7 and 8, and objected to claims 4, 6, 10 and 11. Applicants hereby convert dependent claims 4, 6 and 10 to independent form, and cancel the rejected claims without prejudice to Applicants' right to submit such claims in a continuation application. A typographical error in claim 6 is also corrected.

In view of the foregoing remarks and amending changes, claims 4, 6, 10 and 11 are believed to be in condition for immediate allowance, and such action is respectfully requested. If there are any outstanding issues, the Examiner is invited to contact the undersigned attorney by telephone.

Respectfully submitted,
